## MEDICINAL.

### School Teacher's Headache.

It's not a new variety of headache. It's the old pain consequent on conditions which result from study, confinement, and careless eating. It is only one symptom of a derangement of the stomach and organs of digestion and nutrition. Dr. Pierce's Golden Medical Discovery cures headaches by curing the diseases which cause them.

### DISAGREEMENT AMONG DOCTORS.

Advice from Belgrade, Serbia, indicate that the city is in a turmoil over conflicting reports from the palace regarding the accouchement of Queen Draga.

On February 19 it was announced that a son had been born to her; then came rumors that this was untrue, and finally, Thursday, it was announced that the Queen had confessed that the announcement was a hoax.

Yesterday morning official announcement was made that the Queen had not given birth to a child.

Subsequently a new story drifted from the palace to the effect that the doctors disagreed as to the probability of the Queen's confinement.

Professor Sengul, of Moscow, it was said, had left the palace after formally declaring to King Alexander that he did not believe that Queen Draga was about to have a normal delivery.

Queen Draga is a handsome, talented woman years older than the youthful King. She was one time waiting maid to his mother. It has been charged that she ensnared the King into marriage. The conflicting stories regarding the birth of an heir seem to indicate a plot, the ultimate object of which is possession of the throne.

A BEAUTIFUL ROMANCE.—The beautiful romance in the life of Geo. D. Gear, Judge of the Hawaiian, U. S. Circuit Court, is ended. Last winter he was in Washington to press charges against the Hawaiian delegate to Congress, Robert D. Wilcox. He had previously met Miss Anna M. E. Walker, of Philadelphia, daughter of the late James H. Walker, and while in this country he went to Philadelphia to see for her hand. He was successful and their engagement was announced.

President McKinley appointed him to a Hawaiian judgeship and Miss Walker to gain the accomplishments necessary for the home of one in high official position, decided upon a European trip.

On her return they were to have been married. G. W. went back to Honolulu to await her coming. On April 12 his hopes were shattered. A cablegram told him of the death of his sweetheart in Naples, Italy. The body was embalmed and shipped to Philadelphia. Yesterday it was learned, Judge Gear having traveled all the way from Honolulu that, as a last proof of his affection, he might throw a cloud of earth upon the grave. He stopped off in Washington yesterday to pay his respects at the Department of Justice, and he left for his Hawaiian home.

FRIEND SELECTED WIFE.—Miss Lucy Hutchinson, of Franklin county, last night married J. E. Carper, of Rowell, N. M. Mr. Carper was born in West Virginia, later coming to New Mexico. Two years ago his wife died, leaving seven children. Carper recently wrote to his dead wife's brother requesting him to select a suitable woman as a stepmother for his little ones. Mr. Hunt introduced by mail Miss Hutchinson, and pictures were exchanged. They were engaged conditionally and Carper reached Danville several days ago. He called on his brother, who was sufficiently pleased to allow the ceremony to continue. The couple will leave for New Mexico today.

Dr. Bull's Baby Syrup for teething babies. Put in bottle, 10c. Cures Wind Colic, Diarrhoea, Loss of Sleep, Griping Pains, Sour Stomach, Fever, Cholera Infantum. Dr. Bull's Baby Syrup also promotes the digestion and soothes the baby. Sold by Richard Gibson, druggist.

### A Very Remarkable Remedy.

"It is with a good deal of pleasure and satisfaction that I recommend Chamberlain's Colic, Cholera and Diarrhoea Remedy," says Druggist A. W. Sawtelle, of Hartford, Conn. "A lady customer, seeing the remedy exposed for sale on my show case, said to me: 'I really believe that medicine saved my life the past summer while at the shore,' and she became so enthusiastic over its merits that I at once made up my mind to recommend it in the future. Recently a gentleman came into my store so overcome with colic pains that he sank at once to the floor. I gave him a dose of this remedy which helped him. I repeated the dose and in fifteen minutes he left my store smilingly informing me that he felt well as ever." Sold by Richard Gibson, druggist.

IN ALL STAGES of Nasal Catarrh there should be cleanliness. As experience proves, Ely's Cream Balm is a cleanser, soothes and heals the diseased membrane. It is not drying—does not produce sneezing. Large size, 50c at drugists or by mail. Trial size, 10c sent by mail.

56 Warren street, New York.

## BREAD.

### CORBY'S MOTHER'S BREAD

IS THE BEST IN THE WORLD.

The Corby process of mixing the dough puts 22 per cent more gluten in "Mother's Bread."

In a recent interview Mr. Corby gave the following explanation of how this was accomplished:

"Chemists have found that flour does not contain gluten in the flour state, but there are two proteids called 'glyaden' and 'glutenin,' which, when hydrated into the dough mass, from gluten in the dough, and by the ordinary method in use and the hand manipulation it has been impossible to develop all the gluten, until we brought out our new patented dough-making machine and process.

This machine and process absolutely brings every particle of the glyaden and glutenin together, which is the only possible way of forming the gluten.

It is the presence of gluten which makes "Mother's Bread" so healthful—so nutritious and so wholesome." Sold by all grocers.
